F.No.1-8/2017(SWAYAM Board)

31st January, 2024 / 11 माघ, 1945

Subject : List of SWAYAM Courses for the January 2024 Semester and an online meeting regarding these Courses.

Dear Colleagues,

I would like to draw your kind attention to UGC's letter of even number dated 30.10.2023, wherein UGC has shared information about 1247 SWAYAM MOOCs for the January 2024 semester, along with their examination dates which are fixed for 18th, 19th, 25th & 26th May 2024.

To facilitate selection of the relevant SWAYAM courses being offered by NCs i.e. **UGC, AICTE, NPTEL, CEC, IGNOU, IIM-B, and NITTTR Chennai**, a list containing details of the SWAYAM url for each course, course equivalence in terms of degree/diploma, examination date, and slot for each course is attached, so that you may factor in these dates while finalising your HEI's examination calendar.

This information is intended to assist your University/Institution's Deans and Heads of Departments, allowing them to familiarise themselves with these SWAYAM Courses and adopting these courses for credit transfer in accordance with the University Grants Commission (Credit Framework for Online Learning Courses through Study Webs of Active Learning for Young Aspiring Minds) Regulations, 2021.

I am **enclosing the list of 297 universities that have adopted SWAYAM Courses** for credit transfer. The adoption of SWAYAM Courses for credit transfer presents an opportunity for your esteemed institution to select from a diverse array of multidisciplinary courses, allowing your students to delve into a wide spectrum of knowledge beyond their core academic areas and empower students to learn at their own pace, fostering inclusivity.

To disseminate information about the available SWAYAM Courses to your faculty members and students, and to explore credit transfer opportunities, ensuring the implementation of necessary mechanisms for recognising SWAYAM Courses within your academic framework, **an online meeting chaired by Chairman, UGC is scheduled for 08.02.2024 from 11:00AM.** The meeting link will be shared via email. The minute-to-minute program is attached for your reference.

I request the presence of all Vice-Chancellors, Principals and Local Chapters (SWAYAM Coordinators & Mentors) in the meeting to facilitate an in-depth and productive discussion aimed at enriching the learning experience for students. During the session feel free to share your experiences, challenges, and success stories concerning SWAYAM courses.

I anticipate your positive response and await your participation in the aforementioned online meeting.

With kind regards,

Yours sincerely,

(Manish Joshi)
